

ABOUT GRRoM

OUR MISSION

... is to locate suitable, adoptive homes for homeless and displaced Golden Retrievers and to provide them with shelter, food, companionship and medical attention while they are in foster care. We are also committed to educating the public on all aspects of ownership. This includes care-giving, population control, proper diet and exercise and the importance of regular veterinarian visits.

All proceeds from this event benefit GRRoM, a 501(c)(3) non-profit organization. Donations are tax deductible to the extent allowed by law.
