- Your Name
- Your Home address
- Your Phone number
- Ages of all children in the home

Fill out form online or email the above information to: [goldenrescue131@gmail.com](mailto:goldenrescue131@gmail.com)

## 2. Submitting Your Application

- Once you have completed your adoption packet, please email us at: [goldenrescue131@gmail.com](mailto:goldenrescue131@gmail.com)
- We will then provide you with the address of your assigned interviewer so that you can send your adoption packet with a \$25.00 NON-REFUNDABLE application fee.

## 3. Interview

Your application will be reviewed, a member of GRRoM will contact you for a telephone interview, and a home visit will be scheduled.

## 4. Approval

If you are approved, you will be given a list of the adoptable dogs you qualify for. It will be your responsibility to arrange visits with the foster homes and to request updated lists from your interviewer. The list is continually changing, so be prepared that some dogs on the list may no longer be available.

## 5. Required Visits

To help assure that we have a suitable match between you and your golden companion, you will be required to visit 2 Golden Retrievers in their foster homes, along with your entire family (including your dogs), roommates, or other members living in your household. Our Golden Retrievers are located in foster homes all over Michigan, so travel may be required.

## 6. Adopting a Golden

If you find a dog that you would like to adopt, you will need to contact your interviewer. The interviewer and foster care giver will make a determination regarding your adoption request. It is not uncommon to have multiple families interested in the same dog. If this occurs, a decision will be made based on what is in the best interest of the dog.

## 7. Picking Up Your Golden

At the time you pick up your dog, you will be required to provide an identification tag for the dog, a leash, and anything else stipulated in your adoption conditions. Please see adoption fees on previous page.

## 8. Other Information:
